

Jyoti Singh

Bachelor of Computer Applications(B.C.A)

jyotisingh314159@email.com

+91-9330392360

EDUCATION

•MAKAUT, B. P. Poddar Institute of Management & Technology

Bachelor of Computer Applications (BCA)

CGPA: 7.34

2021 – 2024

•WBCHSE, Sohanlal Deoralia Balika Vidyalaya

Higher Secondary Education

CGPA: 6.68

2020 – 2021

PROJECTS

•Fashion Recommendation System

Academic

Visual similarity-based fashion recommendation using deep learning

- Designed and implemented a visual similarity recommendation engine capable of generating real-time product suggestions from large image datasets.
- Implemented ResNet-50 CNN architecture for feature extraction from product images to improve recommendation accuracy.
- Designed and deployed RESTful APIs using FastAPI to serve model predictions efficiently.
- Built a full-stack application with React frontend and Node.js backend for seamless user interaction.
- Stored product metadata and embeddings in MongoDB for fast retrieval and scalability.
- Enabled real-time recommendations from a large product catalog to enhance user experience.
- Tools & Technologies: Python, PyTorch, ResNet-50, FastAPI, Node.js, MongoDB, React
- Reduced manual product search effort by enabling automated similarity-based recommendations.

TECHNICAL SKILLS

Technologies: HTML, CSS, JavaScript

Programming Languages: Java, Python

Version Control: Git

Concepts: Operating System(OS), Data Structures and Algorithms(DSA), Networking, Software Engineering, Object-Oriented Programming(OOP), Database Systems, Cloud

CERTIFICATIONS

•Industrial Training from Webel IT Park – Fundamentals of Web Development using PHP

Certified
